Phase 5 (The State of Illinois entered Phase 5 - June 11, 2021)

Our regular rehearsal space at Illinois Central College continues to be unavailable to us as no classes were scheduled for the summer. If members/guests are comfortable with rehearsing in person, they can either bring proof of vaccination to sing on the risers, or if not vaccinated, a member/guest, they may rehearse with a mask and socially distanced IF they can answer all the CDC questions "no" pertaining to the following symptoms:

a fever (100.0 degrees or higher)

new onset of moderate to severe headache

shortness of breath, new cough

sore throat

vomiting or diarrhea

new loss of sense of taste or smell

fatigue and/or muscle or body aches

In addition, if the member has been exposed to an individual during the infectious time, they should attend rehearsal via Facebook Live.
