

WOW!!! Can you believe the craziness going on right now? Does anyone have any toilet paper yet?? Or sanitizer? Or any cleaning stuff?

So, the Hearts are doing rehearsals a whole new way!! We've been ZOOMING!!! We've been having some fun times in the midst of the pandemic, despite the whole quarantine thing! You can see below that some of us have been adding some typical Sweet Adeline bling to our masks! Sweet Adelines to the MAX!!

We invite you to come join us at a virtual rehearsal! If you'd like to see what's going on, shoot us a message via email or on Facebook and we'll send you the link to our private rehearsal session! We can't sing together, but we SING! And we LAUGH! Most of all, we just get online to spend time together and support each other and find a few moments of sanity in the craziness of our world right now. We're using some great resources provided by our music team to get everyone educated in basic music theory, using some great videos from Kathleen Hansen, Master Director of the San Diego Chorus, and some fun interval training and warm-ups from a whole crew of Queens and some great quartets who have graciously shared some of their resources with all Sweet Adelines around the world! You can see some of these videos and resources on our Facebook page!

You may know by now that we have had to cancel the show. We are CRUSHED! But hey, just think about how good it'll be next year! I don't know of any time we've ever had this much time to prepare for a show and work on music! It'll knock your socks off, by golly!! We can only get better, right?

Watch your email for invites to fun events coming up! If you're bored, feel free to come join us for some fun games, watch parties and chats! We miss all of you and would love to see some of you come and visit us online!!

Stay safe and healthy, friends!!

Heart Hugs!
